Product guide

The classic East sofa is set off by strong, 120mm high, 50mm wide sled style geometric legs in high tensile chromed aluminium.

The back cushions are comprised of a 100% feather quilt supported by a Central viscoelastic foam core, enclosed in a special heavy-duty fabric case. The seat cushions combine various densities of 'Ultimate Comfort' and 'Indulgence' foams.

This sofa is available as a chair, two, two-and-a-half or three seater, ottoman and chaise. The size of individual components can be customised to suit your space.

While Sofa Establishment specialises in leather, this sofa can be made in the fabric of your choice.

Proudly made in Australia and guaranteed for ten years.
