

Estudio

Product guide

The low, floating, cushionless Estudio is perfect for those searching for an ultra modern minimalist look. The 600mm deep seat is heavily quilted. Comfort and durability are achieved via the thick, padded construction which incorporates an Enduro foam core overlaid with Indulgence slow release foams.

The sofa sits atop 120mm Italian legs, set back to create the illusion of suspension in mid air.

While Sofa Establishment specialises in leather, this lounge can be made in the fabric of your choice.

Proudly made in Australia and guaranteed for ten years.
