

Reposo

Product guide

Classic meets contemporary in the new Reposo sofa, held aloft on strong geometric legs in high tensile chromed aluminium.

The seat cushions combine various densities of 'Ultimate Comfort' and 'Indulgence' foams. The optional back cushions (mix and match as you please) are filled with feathers and down (66%) and polyester hollow fibre (34%), enclosed in a heavy-duty fabric case. Those seeking maximum back support

should select the stainless steel metal back option.

In addition to the standard range we offer the Reposo Grande – a 2.65 metre three seater with three 0.75 metre cushions.

While Sofa Establishment specialises in leather, this sofa can be made in a fabric of your choice.

Proudly made in Australia and guaranteed for ten years.
