

Atlanta

Product guide

The Atlanta features handmade stainless steel 150mm legs and seat cushions artfully constructed from 'Ultimate Comfort' and 'Indulgence' foam products, overlaid with luscious 'Trevira' fibre quilts – resulting in the soft, casual look and feel of feathers, with increased stability. For added luxury, the back cushions are 66% feathers and down

with 34% polyester hollow fibres, enclosed in a special heavy-duty fabric case.

While Sofa Establishment specialises in leather, this sofa can be made in the fabric of your choice.
