

Broadway

Product guide

The Broadway is available as a chair, two or three seater, ottoman and chaise. The size of individual components can be custom built to suit your space requirements.

Set off by Italian designed high tensile chromed aluminium blade legs, this sofa's elegant lines are further enhanced by rich piping detail. Back cushions are filled with feathers and down (66%) with polyester hollow fibres (34%), enclosed in a special heavy-duty fabric

case. Seat cushions are constructed from 'Ultimate Comfort' and 'Indulgence' foam products, overlaid with feather quilts – resulting in a soft, casual look with the luxurious feel of feathers, together affording increased stability and comfort.

While Sofa Establishment specialises in leather, this sofa can be made in the fabric of your choice.

Proudly made in Australia and guaranteed for ten years.
